

Saleh Furqan

Iamsaleh.furqan@gmail.com ❖ (+852) 5334-5785 ❖ Hong Kong, SAR

A highly motivated and enthusiastic computer science engineering student seeking a part-time or internship opportunity in a dynamic and challenging environment. Aiming to gain practical experience, enhance my technical skills, and contribute to the growth of the organization.

WORK EXPERIENCE

IMechE Student Chapter

Oct. 2023 – Present

Organising Committee

Hong Kong

- IMechE is an engineering organization that helps students and other members navigate through the world of engineering. Whether it be jobs or essential soft skills, the student chapter helps all students understand the requirements. (<https://www.imeche.org/>).
- As member of the organizing committee, I promoted the events on social media websites as well as helping organize them.

EDUCATION

The Chinese University of Hong Kong

Sep 2022 - Present

B.Eng Computer Science

Hong Kong, SAR

International School of Creative Science

Sep 2015 – July 2021

IGCSEs and A-levels (4 A, A)*

Sharjah, UAE
